ENSA European Neutron Scattering Association

Paris, July 29<sup>th</sup>, 2022

Dear colleagues,

### RE: ENSA call for ICNS 2025 in Europe

the European Neutron Scattering Association (ENSA) hereby opens the call for the International Neutron Scattering Conference (ICNS) to be held in Europe throughout 2025. **ICNS 2025** will be the 13<sup>th</sup> conference in a series of meetings held every four years since 1982 and alternating between Europe, the Americas and Asia-Oceania, with the most recent ICNS conferences being hosted by Argentina (Buenos Aires, 2022), Korea (Daejeon, 2017) and the United Kingdom (Edinburgh, 2013).

Candidate institutions are encouraged to submit their proposals to the ENSA Board prior to **15<sup>th</sup> January 2023**. Following a presentation for all ENSA members, the successful candidate institution shall be announced at the European Neutron scattering conference in Garching (20-23 March 2023).

Yours sincerely, the ENSA Board.
